Two bro's, Angus Ban & Wm MacG, sons of Don of Arisaig,
Scot, came out & landed at Sydney NS in 1802.

Their bro John was a soldier in the Br Army. In the Battle of

He d.1813 at S. River. (twp)
"Hist. of Antigonish" by Ray MacLean, p.103;
Environment Cda Lib.
It isn't known if Don & his family went directly
to the 'South River' area, or if they lived
elsewhere for some yrs. He purchased (deed
9 Dec'12) 400 acres which had been granted to Joe
Langley that same yr. The land bordered on the
S River & in what is now called St Andrew's;
directly across the rd from 'McGillivray' bridge
between the vill of St A & the Dunmore Rd.
Hence they are known as The Bridge McGillivrays

HUGH (29) (INV) e-mx5 b.c 1760 + **Anne Cameron**

He d.5 Dec'60; Bailey's Brook, Pictou, NS. (Casket newspaper of Dec 13) Hugh McG "Vamy" Bailey's Brook, b. near Arisaig Scot; here 72 years (arr 1788)

Alex Varney says Owen was SO Farq'r who was killed at Culloden.

If he was, he was not an officer, for the only Farq'r so listed was 'the younger of Dalcrombie' & he escaped from the slaughter.

(Letters of Alex SO Hugh, now with desc Cath Anderson she doesn't have a computer; & her son Michael of Merigomish, NS, is the Clan McG* genealogist in NS; but he never replies to letters) (she a Vamey)

Some McG's left Druimindarrach on Loch nan Uamh, Arisaig (e of Eigg) on 12 July 1790; to St John's Is (PEI) on "Jane"; with Capt Fisher. The Clanranald Estate had given a lease of Glen Mama & Arnapoul (Arnipol) to Owen (Ewen or Hugh) McG & to his bro John (no date).

This area was known as Vamey or Vamy which is believed to be the Anglicized version of Mama. The Glen, 6mi e of Arisaig, Inv, runs into Loch nan Uamh. (Dir of Scots to NA; David Dobson) (where Clanranald papers?)

Some Mamy McG's were imprisoned for carrying arms c1760 Dalcrombie of Strathnairn stood caution.

According to another source, Hugh had 3 brothers, Andrew, Angus & Sandy; who came to Cda in 1791 from Dunmaglass, Inv; & took land on the 2nd conc, back of Knoydart, Antigonish Co; calling it Dunmaglass. The wives of Andrew & Sandy were sisters; McDonalds of Clanranald. (possibly mixed with Andrew Ban in Hugh 28)

Settled Bailey's Brook, Pictou Co, NS & gave the name Vamey to a nearby Brook & Lake in NS. This is on the border between Pictou Co & Antigonish Co & along the shore between Lismore & Arisaig, NS.

[McG's of E Bay, NS c1812 were from PEI

The Earl of Selkirk settled 800 from Skye, Uist & Mull to PEI <'03 (Bumstead pp.146, 238, 271) (records?)

The Jane's pax list has;

-John + 5 full fare pax (>12) from Maray or Maimy or Mamy, Arisay

-John tenant + 5 other full fare pax from Alisary (3mi S of Glen Mama)

-John Jr from Mamy; 2 full fare, 1 kid<2 & 1 kid 2-4

-Angus from Airnapoul (1mi S of Mama); 2 full fare; 2<2 (or 1<2); 1(2/4); 1(6/8)

-Wm tenant from Mamy or Maimy; 3 full fare; 5 under 1<2; 2(2-4); 1(6-8); 1(8-12)

He d.c1808 (1yr <pet'n made)

Kath, widow of Wm, petitioned for 2 younger sons (or could she be the Kath below??)

=Alex Jr from Ardamurchie 1790; got lot 15

=John (same pet'n) got lot 16; 100 acres

=Evan Jr (same pet'n) got lot 34; 100 acres

Another pet'n in 1817 seems to be from 2 other
bro's; sons of Wm who emigrated from Scot
27yrs before. Their mom d.19yrs before
(conflict with above pet'n) & their dad
d.9yrs before. They were left in care
of an elder bro.

=Don age 24

=Angus age 22

-Hugh tenant from Arienskill (3mi SE of Mama) via
Drumindorrach; 2 full fare; 2 <2yrs (or 1);
& 1 2-4.

Likely the Evan Sr from Aramurchie 1790;
got lot 17; 450 acres

-Hugh Drum.. to Kyles ?, S Moror (2mi N); 1 full fare
(or 2 full pax; 1 <2, 2 4-6, 1 6-8.

-Kath from Essan ?; 1 full fare, 1(6-8) (or 4-6)

-(Lauchlin McDonald from Ardgasrig; Rev DJ Rankin's
Hist of Antigonish; 1929; had him wed to a Vamey
sister in Scot)

(The "Lucy" sailed with the Jane & she carried;

-Don Kyles Morar; 2 full fare pax

Rankin p.253 also has Don McDonald + Ann McG* wed
3 Feb'70; Arisaig, Antigonish Co; she b.1845 to
Don + Mary McGilvray from Rear of Bailey's Brook;
details from marr lic.

After settling the land, the settlers petitioned for
title (in Pictou & Antigonish Co's) which was issued
9 Nov'10 (Letter A p.142). Of the 35 claimants, 13
were McG's & the above Lachlan McD.

(David Craig "On the Crofter's Trail" says e side of
Cape Breton settled by Protestants from Isles,
including Mull)

-Don from Ardamurchie 1791; lot 13 (159 acres)
(this is likely Ardnamurchan)

-John Sr from Ardamurch 1790; lot 14 (150 acres)

-John the 3rd from Arasach 1790/91 lot 18; 200a

-Angus Jr from Ardamurchie 1802; lot 19; 52 acres

“Glengarry Fencibles” by Frank Adam. In 1792 an emigrant ship from HL to America was wrecked & her pax's landed almost destitute at Greenock. Most were RC's. In Glasgow they found a friend in Rev Alex Macdonell, a priest, afterwards Bishop of Kingston, Ont., who found them work in Glas factories. When the work ended in 1794 the priest & chief conceived plan of getting them made a Fencible unit with govt help to emigrate. Got King's approval.
