This whole family is connected to the farms of;

- Sourbank (next to Tulloch & 1mi e of Rafford, which in turn is 2mi se of Forres, Moray); it was still farmed by McG's till 1970's.
- Blervie (next to Blervie Castle) & Braeside wood, which are 1mi ne of Rafford.
- Phorp is 3mi s of R. & Dallas is 4mi se of R.)
- Burnside is next to Sourbank.
- Shaggle is a bit s.

Braeside is the district. Burgie, Blervie & Altyre were the 3 great estates here for centuries. (Sueno's Celtic stone (with its battle scenes) is nearby).

Alex Comyn held Blervie for the king in 12c. Both Blervie & Burgie were owned by Dunbar of Moray 16c. Burgie House now owned by IK Thomson; Altyre owned by WG Gordon-Cumming & Blervie by Galloway's. Have map of area & castle pictures.
