Precept of removing in causa John McDonald of Clanranald & his curators against Donald  
McDonald, pretended tenant of Ardnafuaran, and John More McGillivray, pretended tenant of  
Carnpoll (Arinapoul, near Glenn Mama ??)

GD201/5/1214 (no date)

Part of tack by Ronald McDonald, younger of Clanronald, in favour of Ewan and John  
McGillivra, brothers, of lands of Mamie (Glenn Mama??) and others in Arasaig, parish of Islandfinan  
for 21 years

GD201/2/28 16 Jun 1761

Tack by Ronald McDonald, younger of Clanronald, whereby for grassums advanced and  
for yearly tack duty, services and other prestations, he sets for 10 years to John McEacharn  
and Angus McGillivra a ½ penny land of the lands of Arieinskill, and to John Adamson the other ½  
penny land of the said farm, lying in Arasaig, upon condition of building houses, making enclosures,  
etc. with allowance of wood, liberty for building of houses and labouring utensils, except fir,  
oak, ash and elm. At Borradale

"Travels in the W'n Hebrides" seems to reference the ships; "Lucy" & "Jane", where the  
author says of the Clanranald Chief: he'd evicted several hundred souls and given the farms  
to a few favourites. Those evicted were substantial farmers, not ousted by poverty, and having  
means to go abroad, preferred to do so rather than truckle down and have their children reduced to  
"Scallags." (i.e.farm lab's."
