McGilvary 2 Wm's & a Farq'r; transported to US 20 Aug 1716  
on "Friendship" out of Belfast to Maryland. There was a  
2nd shipload of prisoners in Oct on a ship commanded by  
Capt Michael Mankin; no McG's. Scots prisoners taken at  
Preston & sold into

indentures to merchts for not <7 yrs. Settled Prince  
Geo's Co ("New Scotland") Source: Ship Index & Pax's to  
Maryland; American Plantations & Colonies; in "Side-Lights  
on Maryland Hist with sketches of early Maryland Fam's" by  
Hester Corsey Richardson; 1967 reprint; from Ldn PRO.

Total of 80 prisoners on Friendship.

There were 1500 prisoners from Preston. 100 Sr officers  
were sent to Ldn & the rest put on trial in Liverpool.

After 70 were tried the remainder asked to be transported  
& accepted. One of the 70 was John McG, a lab, who was  
executed at Wigam.

Two other ships to SC, 2 to VA & 4 to Caribbean.

SC got 2 Lachlan's, Jim, Owen, 2 John's, 2 Wm's, Ewen,  
Fergus & 2 Don's. VA got a Don & Dan'l. One ship was  
overpowered by the prisoners who took it to France &  
lived there. "Hist of the Co. of Inv."

Desc of John Ross = Ross Chappell, Gaithersburgh, Maryland  
chappell@bellatlantic.net Says 1 Wm McG was indentured  
for 7yrs to Robt Ungle, shipowner & neighbor & business  
assoc to Edgar Webb who was a shipbldr in Talbot Co  
(& who got John Ross). Ungle was sheriff in Talbot in  
1716 & was a Jacobite himself. Not surprising then that  
McG & Ross soon ran off to Hanover Co, Virginia (150mi  
away) but the Hanover records were destroyed in Civil  
War. However, St Paul's Par records show them living  
2mi apart; & a local mercht's bk shows them with a joint  
a/c in his store. Ross d.1758 & maybe SO John & Isa  
Fraser of Inv par. Wm McG d.1759/1763.

The other Wm was indentured to Thos Mackell.

The Farq'r was a Capt in Wm McIntosh's Reg't & was  
indentured to Sam Young Esq.
